## ANTI-IMPERIALIST PRISONER

*imprisoned since 1984*

**Jaan Laaman** is a former member of the United Freedom Front, an American leftist group that robbed banks, bombed buildings, and attacked law enforcement officers in the 1980's. He is currently serving a 53-year prison sentence for his role in a series of bombings that targeted various U.S. government buildings. The United Freedom Front fought against white supremacy and imperialism, targeting government institutions and major corporations that had ties to the South African Apartheid system or right-wing paramilitaries in Central America. Jaan has continued to inspire the outside world from behind bars. He has written multiple statements of solidarity, continuing even when punished with solitary confinement for speaking out.

*“America is being taken into a war and turned into a police state like never before. We must oppose and resist it.”*
